ADOCIA

innovative medicine
for everyone, everywhere

Number of shares and voting rights of ADOCIA as of September 30th, 2023

6:00pm CEST - Pursuant to the provisions of article L. 233-8 II of the French « Code de Commerce » and article 223-16 of the French stock-market authorities (*Autorité des Marchés Financiers*, or “AMF”) charter ADOCIA SA, a French *société anonyme* (corporation), 115, avenue Lacassagne, 69003 Lyon, (Euronext Paris: FR0011184241 – ADOC) a clinical stage biopharmaceutical company focused on treatment of diabetes, obesity and metabolic diseases with innovative formulations of approved proteins, releases its total number of outstanding shares as well as its voting rights as of September 30th, 2023.

Month	Date	Total number of outstanding shares	Total number of theoretical voting rights (1)	Total number of exercisable voting rights (2)
September	09/30/2023	13,595,358*	15,761,192	15,754,542

*including:

- 252,470 new shares resulting from the conversion of 129,013 convertible bonds into shares (OC0725) issued by the Company on July 25, 2023. The main characteristics are described in the press releases issued on the issue dates.
- 614,757 new shares in proceeds from a partial exercise of warrants held by IPF Partners in return for a total payment to the company of €1,500,000. The main characteristics of the warrants are described in the press releases of August 31st, 2023.

(1) The total number of theoretical voting rights (or “gross” voting rights) is used as the basis for calculating the crossing of shareholding thresholds. In accordance with Article 223-11 of the AMF General Regulation, this number is calculated on the basis of all shares to which voting rights are attached, including shares whose voting rights have been suspended.

(2) The total number of exercisable voting rights (or “net” voting rights) is calculated without taking into account the shares with suspended voting rights, in this case, shares held by the Company in the context of a liquidity agreement.
